Greetings in the name of Jesus!

As the Director of the Convention Evangelism and Outreach team, I am privileged to lead an awesome group of people who are burdened with the responsibility of spreading the Gospel of Jesus Christ.

We will be leading the charge for soul winning during our annual convention which will be held in Cincinnati, Ohio in August 2019. Our presider, the Honorable Bishop Theodore Brooks, Sr., has declared our convention theme to be, "And Now It Shall Spring Forth!" This theme is appropriate and timely in that we are looking for God to cause His spirit to spring forth and save the souls of men and women in Cincinnati.

To this end, we are requesting support from your congregation for the purpose of providing essential materials to those who are less fortunate and who are living in extreme poverty. We have all seen the devastation of unemployment, homelessness, and hunger. While we cannot eradicate all of the issues of the world, we will attempt to do our best to help in every way possible. We are asking you and your assembly to donate \$200.00 toward this cause as it will make a world of difference in our efforts.

The message of Jesus will save souls but our empathy and willingness to help will allow the message to be heard and received. I sincerely want to thank you for your attention in this matter. We appreciate your readiness to assist us in this endeavor.

Please make all checks and money orders to the PAW, Inc. and forward them to:
